Letter from Commissioner of Mysore, No. 885-17, dated 11th May 1867, and enclosures.

OBSERVATIONS.—On the 26th April last, the Officiating Controller, Mysore, represented that he could not properly carry out the work of his office, as required by

the Public Works Code, without some additional aid to his office, and asked for an increase of one 2nd grade, and three 4th grade Accountants, at a monthly mean cost of Rs. 565 per mensem. This amount was, however, to be reduced to the extent of Rs. 80 per mensem by the abolition of a clerkship in his office. Lieutenant Trail also recommended that the pay of the moochee attached to his office, should be raised from Rs. 10 to Rs. 12 per mensem.

2. For the divisional offices it was recommended by the Controller that a 3rd grade should be substituted for a 4th grade Accountant, to give greater scope for promotion, Mysore being worse off in this respect than any other Local Administration, and being moreover comparatively isolated, so that promotion by transfer would probably be infrequent.

3. The Accountant General has brought to notice that in his letter to him, No. 66, dated 11th June, the Controller has acknowledged that two of the four extra Accountants asked for will not be required—he having applied for them under a misapprehension of the work required to be done in his office. He asks, therefore, for two additional Accountants, and proposes the abolition of a clerkship on Rs. 80 per mensem.

4. It would appear from the following comparison of the strength of other Controller's offices that some increase is necessary.

	No. of executive charges.	Budget grants in lakhs.	No. of Accountants.
Oudh...	7	25	5
Rajpootana...	6	24	5
Mysore and Coorg...	10	20½	4

In Mysore the expenditure is less than in the other two provinces, but the number of accounts to be examined and kept is greater, and the work in the Controller's Office may reasonably be assumed to be equal in three.

5. It appears that the Controller desires to absorb the Audit Clerk among the Accountants, on account of the personal claims of the present incumbent. But this does not make the addition of two Accountants necessary. It will quite suffice to make the present Clerk an Accountant, and appoint a new Clerk in his room. The addition of one Accountant, therefore, seems to be all that is necessary.

6. From a comparison made with the accounts establishments of other provinces, it appears to His Excellency in Council in this Department that the increase proposed to the number of 3rd Grade Accountants in the accounts establishment in Mysore and Coorg, is very reasonable and moderate; and the following scale, including the additional Accountant and involving an increase of Rs. 285 per mensem, is accordingly recommended for final adoption:—

PRESENT.				PROPOSED.			
GRADES.	Controller's Office, Divisional Offices.	Total.		GRADES.	Controller's Office, Divisional Offices.	Total.	
		No.	Cost.			No.	Cost.
Accts. 1st Grade.	1	0	1	Accts. 1st Grade.	1	0	1

Total.....	4	9	13	Total.....	5	9	14
			1,845				2,130
						Deduct.	1,845
						Increase	285 pr. m.

No reason is adduced by the Controller for increasing the pay of the Moochee attached to his office, and His Excellency in Council is accordingly unable to approve of the proposal for doing so.

ORDER—Ordered that a copy of this Resolution, with the papers read, be forwarded to the Financial Department for consideration and orders.
